

# Personalized Care Designed Around You

## CareMore Care Centers

Virginia

Get the individualized care you deserve from a highly trained team of clinicians and staff who work closely with your primary care provider (PCP). As a CareMore Health patient, you will have access to nationally recognized programs and services to help you live your best life.

### Comprehensive Care When You Need it Most

**If you suffer from one or more chronic conditions, CareMore will help you manage these conditions through:**

**Healthy Start™** a comprehensive health assessment including a medication review and consultation, balance assessment, physical mobility evaluation, on-site lab testing, preventive screening, referral to specialty care and behavioral health assessment.

**Nationally recognized prevention and disease management programs** to keep you healthy and help you manage chronic conditions.

**Fitness classes** - both in person and virtually through Nifty After Fifty®

**Healthy Journey** an annual head-to-toe assessment for returning patients. It includes a medical evaluation, physical exam, on-site labs and more.

**Care wherever you are** – in your home, at the CareMore Care Centers or by video or phone.

**Medication review and consultation** to make sure you're taking the prescriptions you need and taking them correctly to get the best result from your medication.

**In-house primary care physicians** who will give you the time and attentive care you deserve.
