

# CareMore Pharmacists

**Do you ever wonder if you actually need all the medications you're taking?**

## **As Trained Medication Experts, CareMore Pharmacists Can Answer That Question, and More.**

- As a valued CareMore patient, you have access to highly trained, board-certified CareMore pharmacists ready to go above and beyond to serve you.
- We work closely with your primary care provider (PCP) to make sure you're taking the medications that are right for you.
- Our goal is to make sure you're taking only the prescriptions you need and taking them correctly to get the best results from your medication.

## **CareMore Pharmacists Help Ensure:**

- You are prescribed only the medications you need.
- You are taking the right medications at the right time.
- Your medications do not negatively react with one another.
- You are not spending more than you need to on your medications.
